

New Money Market Rates? Yes please!

Rates As High As

2.25% APY*

Ask a banker for details!

*Annual Percentage Yield (APY) is accurate as of September 19, 2022. To obtain the 2.25% APY, the minimum daily balance in the money market account must be at least \$1,000,000 of which \$25,000 or more is new money. Open a money market account with \$25,000 in new money and the APY is 1.75%. Fees may reduce earnings. Rates subject to change. Limited time offer.
